DISCOUNT POLICY

OUR DISCOUNTS

EARLY REGISTRATION DISCOUNT: 10% off the cost of any group course for those who enroll and remit payment by February 28, 2025. This discount may be combined with bring-a-friend for a combined 20% off.

BRING-A-FRIEND DISCOUNT: 10% off the cost of any group course for those who refer a friend to a group course of equal value. The discount applies to both friends. The friend who is referred must be a new student: not a prior or current student, sibling of a prior or current student, or someone whose family has already been introduced to Dragon Prep. Students who sign up for SSAT Sprint + Cram may count themselves as their own "friends" and qualify for the BAF discount.

PRIVATE LESSON DISCOUNTS: Private lesson discounts are determined on a case by case basis. Factors we consider are 1) the availability of the teacher, 2) the number of hours booked, and 3) the subject of instruction. Once a private lesson discount is awarded, it is guaranteed lifetime for both the student and any siblings as long as the student remains in good standing.
